# Questions to Safe Software

You have the possibility to ask questions to Don Murray (Co-founder & President of Safe Software) regarding FME & Safe Software (≠ Support questions).

- Write your **question legibly** (in German, French or English) on a piece of paper (you can find pen & paper at the registration desk)
- Please drop the piece of paper with your **question(s) into the box** next to the entrance
- The questions will be collected before noon break **at 12:00h**.
